besomoy@gmail.com

## PROFESSIONAL SUMMARY:

As a professional Front-end Developer and Design Enthusiast with 3 years of experience, I am dedicated to delivering my best work. I possess advanced skills in HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, and React.js.

## PROFESSIONAL EXPERIENCE:

### Future Innovation LTD

Web Developer | 01 December, 2021 - Present

- I began as a basic HTML and CSS website designer, then transitioned to working with the React framework. Now, I am a project manager.
- Ensure user satisfaction and retention by providing responsive tech support
- Perform live demos to customers and nurture client relationships
- Collaborate with senior developers to update the website and create new features

### Fiverr

Freelance Web Developer | 26 June, 2020 - Recent

- convert figma to react website
- Convert pixel-perfect UI design into a beautiful React website
- Develop a business website using React and Node
- Design a beautiful real estate listing and property search website

## RELEVANT PROJECTS:

### SOS- Start Your Own Startup

[Admin panel](#)

Frontend Developer & Project Manager | 06 July, 2023 - recent

**Admin login:** Email- admin@gmail.com Password- password

**Technology Used:** React JS, Next Js, Bootstrap UI, PHP, Laravel

**My Roll:** I work as a front-end developer on this website. I designed a full dashboard on my own and I converted the frontend design from Figma.

### Colonpex

Frontend Developer & Project Manager | 06 July, 2023 - recent

**Technology Used:** React JS, Next Js, Bootstrap UI, PHP, Laravel

**My Roll:** I work as a front-end developer on this website, which is a basic product-selling platform. The website first calculates the BMI for both men and women and then provides them with product recommendations for purchase. Additionally, there is a BMI calculator integrated into the site.

### Career Hub

Frontend Developer | 06 May, 10 May

**Technology Used:** React JS, Next Js, Bootstrap UI

**My Roll:** This is a basic practice project I've completed. It's a job portal website where people can select accounting jobs and apply for them. I built this site using React.
